

## MAKING ANNUAL LEARNING GAINS For School Grades

Schools earn one point for each percent of students who make learning gains in reading and one point for each percent of students who make learning gains in math. Students can demonstrate learning gains in any one of three ways:

1. Improve achievement levels from 1-2, 2-3, 3-4, or 4-5; OR
2. Maintain within the relatively high levels of 3, 4, or 5; OR
3. Demonstrate more than one year's growth within achievement levels 1 or 2.

When using # 3, consider the following:

### DEVELOPMENTAL SCALE SCORE GAINS TABLE:

Students achieving within Level 1 for two consecutive years OR within Level 2 for two consecutive years must gain at least one point more than those listed in this table in order to satisfy the "making annual Learning gains" component of the school accountability system.
