### **Tropical Storm Fay Update (6:00 p.m.)**

All schools in the School District of Indian River County will be closed on Thursday, August 21, 2008. All students and employees are to remain home. This decision was made after consultation with Indian River County Emergency Operations officials, and as a result of latest weather advisories regarding Tropical Storm Fay, which indicate the potential for additional rainfall and flooding, especially in North Indian River County, over night.

We expect to make a decision about the status of schools on Friday, August 22<sup>nd</sup>, sometime on Thursday afternoon. We will communicate that information via our website: [www.indianriverschools.org](http://www.indianriverschools.org), Connect Ed automated telephone system, the Education Channel (Comcast Channel 28), and our general information phone number: 564-3000. ###
