## SCHEDULE OF BENEFITS

Benefits are payable per Member. No benefits are payable for any Member until you have completed the Waiting Period.

A Member may use the Provider of their choice. There are two types of Providers - those that are part of the Network (In-Network Providers) and those that are not part of the Network (Out-of-Network Providers).

When services or materials are received from a Provider who is part of the Network, you are responsible for:

1. The Copayment, if a cash payment is due the Provider; or
2. The difference between the Allowance plus any negotiated Discount and the Scheduled Fee - we will pay the dollar amount of the Allowance, or the Provider's actual charge, if less; or
3. The difference between any Negotiated Discount and the Scheduled Fee.

Benefits for services or materials received from a Provider outside of the Network are shown in terms of the dollar amount we will reimburse you for that service or material, not the total amount you are responsible for. If you use an Out-of-Network Provider your total responsibility is the difference between the Reimbursement and the total amount charged by the Provider - we will pay the dollar amount of the Reimbursement for that service or material or the Provider's actual charge if less.

You will not be paid a separate benefit, charged an additional Copayment or incur any additional cost for any Covered Service listed as "Included".

If a Covered Expense is not available through an In-Network Provider within 50 miles of your residence, any Covered Expense incurred from an Out-of-Network Provider will be reimbursed as though they were received from an In-Network Provider.

The contact lens Collection is available at most participating independent provider offices. The contact lens Collection includes:

- Two boxes of Planned Replacement Contact Lenses; or
- Four boxes of Disposable Contact Lenses.

Medically necessary contact lenses are subject to prior approval and are limited to one pair of lenses per Frequency of Use Period unless a subsequent eye examination shows a prescription change that qualifies for another lens or lenses due to medical necessity. You or your attending Provider must send a completed request to the Administrator for medically necessary contact lenses before the lenses are dispensed initially or due to a change in prescription. Any amount due over an Allowance for such lenses is the Member's responsibility. If you do not obtain approval for medically necessary contact lenses initially or due to a prescription change the entire charge is your responsibility. This limitation will not apply if it is shown that it was not reasonably possible to submit the request for approval.

Contact lens evaluation, fitting and follow up care applies to standard daily wear, disposable, planned replacement, specialty and medically necessary contact lenses.

### Low Vision Coverage

Low vision is a significant loss of vision but not total blindness. Ophthalmologists and optometrists specializing in low-vision care can evaluate and prescribe optical devices, and provide training and instruction to maximize the Member's remaining useable vision.

A comprehensive low vision evaluation is performed in addition to an eye examination when the eye examination indicates a need for such an evaluation. This supplemental evaluation includes a history of functional difficulties that involves daily activities. The result of this evaluation may include prescription of various treatment options, including low vision aids, as well as assist the Member with identifying other resources for vision and lifestyle rehabilitation.

The Low Vision Program is subject to prior approval. The Member or the attending Provider must send a completed request to the Administrator prior to the initial evaluation. Once approved, a Member is eligible for a comprehensive low vision evaluation and four follow-up visits every 60 months up to the maximum for such evaluation and visits shown above. Low vision aids will be provided as prescribed up to the maximum per aid, subject to the lifetime maximum for all aids shown above. If the required approval is not obtained, no benefits will be paid for any such evaluation, follow-up visits or aids and the entire charge for such services or supplies will be the Member's responsibility. This limitation will not apply if it is shown that it was not reasonably possible to submit the request for approval.

### **Laser Vision Correction**

<b>Covered Service</b>	<b>In-Network Benefits</b>
Discount	20% OR 25% off the Provider's Usual and Customary Charge (or receive an additional 5% discount on any advertised specials, or the Provider's actual charge, whichever is lower)

Laser vision correction is a surgical procedure to correct vision problems such as nearsightedness, farsightedness and astigmatism. Such procedures include Laser Epithelial Keratomileusis (LASEK), Laser In Situ Keratomileusis) LASIK and Photorefractive Keratectomy (PRK).

To receive the In-Network Discount approval must be obtained prior to surgery; the Member or the attending Provider must send a completed request to the Administrator prior to the initial evaluation. If the required approval is not obtained the entire charge for such services will be the Member's responsibility.

Laser Vision Surgery from an In-Network Provider must be obtained within six months of the preoperative examination. If a Member does not obtain the surgery within this time period and another pre-operative examination is necessary the cost of that examination is his responsibility.

Coverage continued during a military leave of absence is subject to notifying your Employer of such leave in writing and continued payment of any required premium when due.

### **3. Other Layoff or Leave of Absence**

If you are temporarily laid off or given a leave of absence, other than a military leave or a family or medical leave, your coverage and your Dependents coverage may be continued provided any required premium is paid when due and your Employer has approved the leave in writing.

Temporary layoff or leave of absence means you are temporarily absent from work for the period of time that has been agreed to in advance in writing by your Employer. Normal vacation time is not considered a temporary layoff off or leave of absence.

### **4. COBRA**

In general, the Consolidated Omnibus Budget Reconciliation Act (COBRA) requires employers, (other than certain church employers) who normally employ at least 20 or more employees in the prior calendar year, to temporarily extend their health care coverage to certain categories of employees and their dependents when, due to certain "qualifying events," they are no longer eligible for group coverage. Contact the Policyholder for more information about COBRA and the events that may allow you or your dependents to temporarily extend vision coverage.

## **REINSTATEMENT**

If insurance ends because you become a full time member of the armed forces of the United States you will not have to satisfy any applicable Waiting Period provided you re-enroll yourself and your Dependents and return to Active Service after you leave active military service within the applicable time period specified in the Uniform Services Employment and Reemployment Rights Act (USERRA). If you do not re-enroll yourself and your Dependents within 31 days of the date you return to Active Service from a military leave you must wait until the next Enrollment Period or a Life Event to enroll.

If a Dependent's insurance ends because he becomes a full time member of the armed forces of the United States that person may be re-enrolled if eligible provided he is re-enrolled within the applicable time period specified in the Uniform Services Employment and Reemployment Rights Act (USERRA). If you do not re-enroll this person within 31 days you must wait until the next Enrollment Period or a Life Event to enroll this person.

If insurance ends because you failed to make any required premium payment when due, you must wait until the next Enrollment Period to re-enroll.

## **EXCLUSIONS**

Benefits will not be paid for and the term "Covered Expenses" will not include charges:

1. For any Covered Expense not shown in the Schedule of Benefits.

7. For services rendered by practitioners who do not meet the definition of Provider.

## **CLAIM PROVISIONS**

### **In-Network**

A Member must contact an In-Network Provider before receiving services for a Covered Expense. The In-Network Provider will verify his eligibility for Covered Expenses with us or our authorized representative before the examination takes place. The Provider will submit Member's claim directly to us or our authorized representative.

## Out-of-Network

When a Member uses an Out-of-Network Provider he must first pay the billed charge and then submit a claim; assignment is not permitted.

1. Notice of Claim - written or authorized electronic/telephonic notice of claim must be given to us within 20 days after a Covered Expense is incurred or as soon as reasonably possible. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written or authorized electronic/telephonic notice was given as soon as was reasonably possible. Notice can be given to us at our Administrative Office, such other place as we may designate for the purpose, or to our authorized representative. Notice should include the Policyholder's name and the Member's name, address, Policy and Policy Number.
2. Claim Forms - we will send claim forms for filing proof of loss when we receive notice of a claim. If such forms are not provided within 15 days after we receive notice, the proof requirements will be met by submitting, within the time fixed in the Policy for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which the claim is made.
3. Proof of Loss - written or authorized electronic proof of loss satisfactory to us must be given to us at our Administrative Office, such other place as we may designate for the purpose, or to our authorized representative within 90 days of the loss for which claim is made.

If (a) benefits are payable as periodic payments and (b) each payment is contingent upon continuing loss, then proof of loss must be submitted within 90 days after the termination of each period for which we are liable.

If written or authorized electronic notice is not given within that time, no claim will be invalidated or reduced if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to lack of legal capacity.

4. Payment of Claims - we will pay benefits due under the Policy for any loss immediately upon receipt of due written or authorized electronic proof of such loss.

All benefits will be paid in United States currency. All benefits payable under the Policy, unless otherwise stated, will be payable to the Member or to his estate.

If we are to pay benefits to the Member's estate or to a person who is incapable of giving a valid release, we may pay up to \$1,000 to a relative by blood or marriage that we believe is equitably entitled. Any payment made by us in good faith pursuant to this provision will fully discharge us to the extent of such payment and release us from all liability.

## Review

If the claim is wholly or partly denied, our notice will include:

1. Reasons for such denial;
2. Reference to specific certificate provisions, rules or guidelines on which the denial was based;
3. A description of the additional information needed to support your claim;
4. Information concerning your right to request that we review our decision; and
5. A description of our review procedures, time limits and notice of your right to bring civil action.

This request must be in writing and must be received by us no more than 180 days after you receive notice of our claim decision. As part of this review, you may:

1. Send us written comments;
2. Review any non-privileged information relating to your claim; or
3. Provide us with other information or proof in support of your claim.

We will review your claim promptly after receiving your request. We will advise you of the results of our review within 60 days after we receive your request, or within 120 days if there are special circumstances that require more time (such as the need to hold a hearing). Our decision will be in writing and will include reference to specific policy provisions, rules or guidelines on which the decision was based, and notice of your right to bring a civil action.

### **Claimant Cooperation**

Failure of a claimant to cooperate with us in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

### **Administration**

The Policyholder has given us the authority to review claims for the benefits provided by the Policy and for deciding appeals of denied claims. In this role we will have the authority, in our discretion, to interpret the terms of the Policy, to decide questions of eligibility for coverage or benefits under the plan, and to make any related findings of fact. All decisions made by us in this capacity will be final and binding on participants and beneficiaries of the plan to the full extent permitted by state and federal law.

We will have no responsibility with respect to the administration of the benefit provided by the Policy except as described above. It is understood that our sole liability to the Policyholder and Members under the Policy will be for the payment of benefits provided under the Policy.

We may contract with another entity to perform this function on our behalf.

### **Legal Actions**

No action at law or in equity may be brought to recover under the Policy less than 60 days after written or authorized electronic proof of loss has been furnished as required by the Policy. No such action will be brought more than five years after the time such written proof of loss must be furnished.

### **Recovery of Overpayment**

If benefits are overpaid, we have the right to recover the amount overpaid by either of the following methods.

1. A request for lump sum payment of the overpaid amount.
2. A reduction of any amounts payable under the Policy.

If there is an overpayment due when the Member dies, we may recover the overpayment from the Member's estate.

## ADMINISTRATIVE PROVISIONS

If a premium is not paid when due, we will cancel the Policy at the end of the last period for which premium was paid, subject to the Grace Period provision. Premium Due Dates are shown in the *Schedule of Benefits*. The Policyholder has the sole responsibility to notify Members of such termination.

### Contributions

You may be required to contribute toward all or part of your and your Dependent's Insurance under the Policy. If so you must agree to:

1. Have all or a portion of the cost of both your Insurance and your Dependent's Insurance deducted from your pay; or
2. Remit all or a portion of the cost of both your Insurance and your Dependent's Insurance directly to the Policyholder; or
3. Remit the entire cost of both your Insurance and your Dependent's Insurance directly to us or our authorized representative. A Member may elect to pay any premium billed directly monthly, quarterly, semi-annually or annually.

### Direct Billing

If you are being billed directly you will receive a request for payment from us or our authorized representative on or before the premium due date. The premium due date will be shown on the request for payment. You should pay the amount due on or before the premium due date. Payment of the entire premium as it becomes due will maintain the Member's Insurance in force through the date immediately before the next premium due date.

There is a 31 day grace period for remittance of premium billed directly. If you do not pay the premium on or before the premium due date, you may pay the premium during this 31 day period. A Member's Insurance under the Group Policy will remain in force during the grace period. If premium is not remitted before the end of the grace period, the Member's Insurance will terminate automatically at 12:01 A.M. on the last day for which premium was paid.

Termination of a Member's Insurance for nonpayment of premiums billed directly will not influence a Member's right to a claim for benefits which arose prior to the termination. Our liability under the Policy is limited to benefits payable for eligible claims incurred prior to the date of termination.

### Reimbursement Requirement

If your Insurance or your Dependent's Insurance terminates for any reason we will refund any premium you paid for your Insurance and your Dependent's Insurance after the date of termination.

## GENERAL PROVISIONS

### Assignment

The rights and benefits under the Policy may be assigned under certain circumstances. Any Member that wants to make an assignment of his Insurance should see the Policyholder for the conditions and further information.

We assume no responsibility for the validity, sufficiency, or effect of any assignment of a Member's Insurance (including an assignment on a form furnished by us or by the Policyholder).

**Incontestability**

All statements made by a Member are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim unless a copy of the instrument containing the statement is, or has been, furnished to the claimant. In the event of a claimant's death or incapacity, his applicable representative will be given a copy.

After two years from a Member's effective date of Insurance, or from the effective date of increased benefits, no such statement will cause Insurance or the increased benefits to be contested except for fraud.

**Clerical Error**

A Member's Insurance will not be affected by error or delay in keeping records of Insurance under the Policy. If such error or delay is found, we will adjust the premium fairly.

**Conformity with Statutes**

Any provisions in conflict with the requirements of any state or federal law that applies to the Policy are automatically changed to satisfy the minimum requirements of such laws.

**Compensation Insurance**

The Policy is not in place of and does not affect any requirements for coverage under any Workers' Compensation, Occupational Disease or similar law.

## SCHEDULE OF BENEFITS

Benefits are payable per Member. No benefits are payable for any Member until you have completed the Waiting Period.

A Member may use the Provider of their choice. There are two types of Providers - those that are part of the Network (In-Network Providers) and those that are not part of the Network (Out-of-Network Providers).

When services or materials are received from a Provider who is part of the Network, you are responsible for:

1. The Copayment, if a cash payment is due the Provider; or
2. The difference between the Allowance plus any negotiated Discount and the Scheduled Fee - we will pay the dollar amount of the Allowance, or the Provider's actual charge, if less; or
3. The difference between any Negotiated Discount and the Scheduled Fee.

Benefits for services or materials received from a Provider outside of the Network are shown in terms of the dollar amount we will reimburse you for that service or material, not the total amount you are responsible for. If you use an Out-of-Network Provider your total responsibility is the difference between the Reimbursement and the total amount charged by the Provider - we will pay the dollar amount of the Reimbursement for that service or material or the Provider's actual charge if less.

You will not be paid a separate benefit, charged an additional Copayment or incur any additional cost for any Covered Service listed as "Included".

If a Covered Expense is not available through an In-Network Provider within 50 miles of your residence, any Covered Expense incurred from an Out-of-Network Provider will be reimbursed as though they were received from an In-Network Provider.

In-Network Providers that do not display the frame Collection, or have the contact lens Collection available will apply the Allowance towards non-collection frame or non-collection contacts.

The contact lens Collection is available at most participating independent provider offices. The contact lens Collection includes:

- One pair of Daily Wear Contact Lenses; or
- Two boxes of Planned Replacement Contact Lenses; or
- Four boxes of Disposable Contact Lenses.

All contact lenses in the collection are single vision spherical lenses.

Specialty Contact Lenses are limited to one pair of lenses. These lenses include (but are not limited to) toric, rigid gas permeable and multifocal lenses.

Medically necessary contact lenses are subject to prior approval and are limited to one pair of lenses per Frequency of Use Period unless a subsequent eye examination shows a prescription change that qualifies for another lens or lenses due to medical necessity. You or your attending Provider must send a completed request to the Administrator for medically necessary contact lenses before the lenses are dispensed initially or due to a change in prescription. Any amount due over an Allowance for such lenses is the Member's responsibility. If you do not obtain approval for medically necessary contact lenses initially or due to a prescription change the entire charge is your responsibility. This limitation will not apply if it is shown that it was not reasonably possible to submit the request for approval.

Contact lens evaluation, fitting and follow up care applies to standard daily wear, disposable, planned replacement, specialty and medically necessary contact lenses.

### Low Vision Coverage

Maximum per Follow-up Visit	\$100 Allowance	\$100 Reimbursement

Low vision is a significant loss of vision but not total blindness. Ophthalmologists and optometrists specializing in low-vision care can evaluate and prescribe optical devices, and provide training and instruction to maximize the Member's remaining useable vision.

A comprehensive low vision evaluation is performed in addition to an eye examination when the eye examination indicates a need for such an evaluation. This supplemental evaluation includes a history of functional difficulties that involves daily activities. The result of this evaluation may include prescription of various treatment options, including low vision aids, as well as assist the Member with identifying other resources for vision and lifestyle rehabilitation.

The Low Vision Program is subject to prior approval. The Member or the attending Provider must send a completed request to the Administrator prior to the initial evaluation. Once approved, a Member is eligible for a comprehensive low vision evaluation and four follow-up visits every 60 months up to the maximum for such evaluation and visits shown above. Low vision aids will be provided as prescribed up to the maximum per aid, subject to the lifetime maximum for all aids shown above. If the required approval is not obtained, no benefits will be paid for any such evaluation, follow-up visits or aids and the entire charge for such services or supplies will be the Member's responsibility. This limitation will not apply if it is shown that it was not reasonably possible to submit the request for approval.

### **Laser Vision Correction**

<b>Covered Service</b>	<b>In-Network Benefits</b>
Discount	20% OR 25% off the Provider's Usual and Customary Charge (or receive an additional 5% discount on any advertised specials, or the Provider's actual charge, whichever is lower)

Laser vision correction is a surgical procedure to correct vision problems such as nearsightedness, farsightedness and astigmatism. Such procedures include Laser Epithelial Keratomileusis (LASEK), Laser In Situ Keratomileusis) LASIK and Photorefractive Keratectomy (PRK).

To receive the In-Network Discount approval must be obtained prior to surgery; the Member or the attending Provider must send a completed request to the Administrator prior to the initial evaluation. If the required approval is not obtained the entire charge for such services will be the Member's responsibility.

Laser Vision Surgery from an In-Network Provider must be obtained within six months of the preoperative examination. If a Member does not obtain the surgery within this time period and another pre-operative examination is necessary the cost of that examination is his responsibility.

### **Replacement Contact Lens Program**

2. Required for treatment or management of a medical condition or symptom;
3. Provided in accordance with approved and generally accepted medical and surgical practice.

**Provider** means a practitioner who is a legally qualified professional providing eye examinations, refractive and/or post-refractive services and surgery within the scope of their license. This term includes an ophthalmologist, an optometrist, an optician or a surgeon recognized as such in accordance with the laws of the State in which the services are provided. The Policy recognizes two categories of Providers; In-Network Providers and Out-of-Network Providers. Refer to these definitions for further information.

This term does not include:

1. A person employed or retained by the Policyholder;
2. A person living in the Member's household; or
3. A parent, sibling, spouse or Child of the Member.

**Policyholder** means the entity shown on the cover page of this Certificate.

**Reimbursement** means a flat dollar amount payable under the Policy towards a Covered Expense from an Out-of-Network Provider. Reimbursement levels are shown in the *Schedule of Benefits*. If the Providers charge is less than the Reimbursement we will only pay up to the Providers charge.

**Scheduled Fee** means the amount negotiated between an In-Network Provider and us or our authorized representative as full payment for a Covered Expense shown in the *Schedule of Benefits* received or purchased by a Member.

**Spouse** means a person of the opposite sex who is legally married to the Employee.

**Usual and Customary Charge** means that portion of a charge, as determined by us, made by a Provider for a Covered Expense shown in the *Schedule of Benefits* which does not exceed the lesser of:

1. The customary charge made by other Providers rendering or furnishing such care, treatment or supplies within the same geographic area; or
2. The usual charge the Provider most frequently makes to patients for the same service.

We will base our determination of the customary charges within a geographical area on a study or survey done to determine such charges. Consideration will be given to the nature and severity of the condition being treated including any complications which require additional time, skill, treatment or expertise.

### **ELIGIBILITY REQUIREMENT MEMBERS**

You are eligible for coverage under the Policy provided:

1. You meet the applicable definition shown in *Definitions*; and
2. You have completed the Waiting Period, if any, shown in the *Schedule of Benefits*.

Your Dependents are eligible for coverage under the Policy provided both you and your Dependents meet the applicable definition shown in *Definitions*.

No person is eligible for Insurance under the Policy as both an Employee and Dependent at the same time. If both are eligible as an Employee one but not both may elect Dependent coverage.

### **EFFECTIVE DATE**

Your insurance and your eligible Dependent's insurance is effective on the later of the first day of the month following the date:

1. A completed enrollment form, if any, is submitted for the person or persons to be insured and we approve that form; and
2. The required contribution for the person or persons to be insured has been submitted by your Employer or the required premium for the person or persons to be insured has been paid by you.

A newborn Dependent child is automatically covered from birth provided we receive notification within 31 days after the birth of the newborn.

A child adopted by you or your Partner, or placed for adoption with, or who is a party in a suit for adoption with you or your Partner is covered automatically provided we receive notification:

1. If a newborn within 31 days after the child's birth; or
2. If not a newborn within 31 days after the date of adoption, date of placement for adoption or the date the child becomes a party in a suit for adoption by you or your Partner.

A child required to be provided coverage by you or your Partner under the terms of a Qualified Medical Child Support Order (QMCSO) is covered automatically from the date stipulated in the judgment, decree or order issued by a court of competent jurisdiction or through an administrative process established under, and having the force and effect of, state law and which satisfies the QMCSO requirements of ERISA (section 609a).

## APPLYING FOR COVERAGE

You may only apply for coverage on yourself or your Dependents during the following periods:

1. Within 31 days after the date you are or your Dependent is first eligible for coverage;
2. During an Enrollment Period; or
3. Within 31 days of a Life Event.

You cannot apply for coverage on yourself or your Dependents at any other time. If you do not enroll yourself or your Dependent when *first eligible* you and/or your Dependents will be considered a Late Entrant.

## LATE ENTRANTS

A person who meets the *Eligibility Requirement* will be considered a late entrant if the Employee:

1. Does not apply for his insurance or the Dependent's insurance within 31 days of the date he or that Dependent is *first eligible*; or
2. Elects coverage on himself and/or his Dependents within 31 days of the date he or that Dependent is *first eligible* and subsequently voids such coverage within that time period.

An Employee that meets the *Eligibility Requirement* is *first eligible* on the Effective Date of the Policy or the date he is hired by the Policyholder, if later.

A Partner that meets the *Eligibility Requirement* is *first eligible* on the Effective Date of the Policy or the date the Employee is hired by the Policyholder, if later; or the date the Employee and Spouse are married, if later.

A Child that meets the *Eligibility Requirement* is *first eligible* on the Effective Date of the Policy, or the date of the child's birth or the date the Employee otherwise acquires the child, if later.

If an Employee does not apply for his insurance or Dependents insurance when he or his Dependent is *first eligible* he must wait until the Policyholder's next Enrollment Period or a Change in Family Status to enroll himself or his Dependents. Coverage for any late entrant who applies for coverage during an Enrollment Period or following a change in Family Status will become effective on the later of the first day of the month following the end of the Enrollment Period or the date he enrolls due to a Change in Family Status provided:

1. A completed enrollment form, if any, is submitted for the person or persons to be insured and we approve that form; and
2. The required contribution for the person or persons to be insured has been submitted by your Employer or the required premium for the person or persons to be insured has been paid.

## TERMINATION OF INSURANCE

Please read the *Continuation of Insurance* section of this Policy for information on continuation after eligibility for coverage would otherwise end.

The insurance on a Member will end on the earliest date below:

1. The first day of the month following the date this Policy or insurance for a Covered Class is terminated; or

2. The first day of the month following the date the Member is no longer in a Covered Class or satisfies eligibility requirements under this Policy; or
3. With respect to a Child the first day of the year following the date the Child is no longer in a Covered Class or satisfies eligibility requirements under this Policy; or
4. The last day of the last period for which premium is paid; or
5. The day he reports for active duty in the armed forces of the United States or any other country; or
6. The end of any period of continuation, as provided in the *Continuation of Coverage*; or
7. With respect to a Spouse, the first day of the month following the date of the death of the Employee or the first day of the month following the date of divorce from the Employee.

Termination will not affect a claim for benefits incurred while coverage was in effect.

### **CONTINUATION**

#### **1. Family and Medical Leave**

Your coverage and your Dependents coverage may be continued during absences for family or medical leave. If you are on a family or medical leave of absence coverage will continue provided any required premium is paid when due and the Policyholder has approved the leave in writing. Coverage will be continued for up to the greater of the leave period required by the federal Family and Medical Leave Act or the leave period required by applicable state law.

#### **2. Military Leave**

If you or one of your Dependents is called upon to serve in the armed forces of the United States that person's coverage will be continued during such absence until he reports for active duty. Coverage continued during a military leave of absence is subject to notifying your Employer of such leave in writing and continued payment of any required premium when due.

#### **3. Other Layoff or Leave of Absence**

If you are temporarily laid off or given a leave of absence, other than a military leave or a family or medical leave, your coverage and your Dependents coverage may be continued provided any required premium is paid when due and your Employer has approved the leave in writing.

Temporary layoff or leave of absence means you are temporarily absent from work for the period of time that has been agreed to in advance in writing by your Employer. Normal vacation time is not considered a temporary layoff or leave of absence.

#### **4. COBRA**

In general, the Consolidated Omnibus Budget Reconciliation Act (COBRA) requires employers, (other than certain church employers) who normally employ at least 20 or more employees in the prior calendar year, to temporarily extend their health care coverage to certain categories of employees and their dependents when, due to certain "qualifying events," they are no longer eligible for group coverage. Contact the Policyholder for more information about COBRA and the events that may allow you or your dependents to temporarily extend vision coverage.

## REINSTATEMENT

If insurance ends because you become a full time member of the armed forces of the United States you will not have to satisfy any applicable Waiting Period provided you re-enroll yourself and your Dependents and return to Active Service after you leave active military service within the applicable time period specified in the Uniform Services Employment and Reemployment Rights Act (USERRA). If you do not re-enroll yourself and your Dependents within 31 days of the date you return to Active Service from a military leave you must wait until the next Enrollment Period or a Life Event to enroll.

If a Dependent's insurance ends because he becomes a full time member of the armed forces of the United States that person may be re-enrolled if eligible provided he is re-enrolled within the applicable time period specified in the Uniform Services Employment and Reemployment Rights Act (USERRA). If you do not re-enroll this person within 31 days you must wait until the next Enrollment Period or a Life Event to enroll this person.

If insurance ends because you failed to make any required premium payment when due, you must wait until the next Enrollment Period to re-enroll.

## CLAIM PROVISIONS

### In-Network

A Member must contact an In-Network Provider before receiving services for a Covered Expense. The In-Network Provider will verify his eligibility for Covered Expenses with us or our authorized representative before the examination takes place. The Provider will submit Member's claim directly to us or our authorized representative.

### Out-of-Network

When a Member uses an Out-of-Network Provider he must first pay the billed charge and then submit a claim; assignment is not permitted.

1. Notice of Claim - written or authorized electronic/telephonic notice of claim must be given to us within 20 days after a Covered Expense is incurred or as soon as reasonably possible. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written or authorized electronic/telephonic notice was given as soon as was reasonably possible. Notice can be given to us at our Administrative Office, such other place as we may designate for the purpose, or to our authorized representative. Notice should include the Policyholder's name and the Member's name, address, Policy and Policy Number.
2. Claim Forms - we will send claim forms for filing proof of loss when we receive notice of a claim. If such forms are not provided within 15 days after we receive notice, the proof requirements will be met by submitting, within the time fixed in the Policy for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which the claim is made.
3. Proof of Loss - written or authorized electronic proof of loss satisfactory to us must be given to us at our Administrative Office, such other place as we may designate for the purpose, or to our authorized representative within 90 days of the loss for which claim is made.

If (a) benefits are payable as periodic payments and (b) each payment is contingent upon continuing loss, then proof of loss must be submitted within 90 days after the termination of each period for which we are liable.

If written or authorized electronic notice is not given within that time, no claim will be invalidated or reduced if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to lack of legal capacity.

4. Payment of Claims - we will pay benefits due under the Policy for any loss immediately upon receipt of due written or authorized electronic proof of such loss.

All benefits will be paid in United States currency. All benefits payable under the Policy, unless otherwise stated, will be payable to the Member or to his estate.

If we are to pay benefits to the Member's estate or to a person who is incapable of giving a valid release, we may pay up to \$1,000 to a relative by blood or marriage that we believe is equitably entitled. Any payment made by us in good faith pursuant to this provision will fully discharge us to the extent of such payment and release us from all liability.

### Review

If the claim is wholly or partly denied, our notice will include:

1. Reasons for such denial;
2. Reference to specific certificate provisions, rules or guidelines on which the denial was based;
3. A description of the additional information needed to support your claim;
4. Information concerning your right to request that we review our decision; and
5. A description of our review procedures, time limits and notice of your right to bring civil action.

This request must be in writing and must be received by us no more than 180 days after you receive notice of our claim decision. As part of this review, you may:

1. Send us written comments;
2. Review any non-privileged information relating to your claim; or
3. Provide us with other information or proof in support of your claim.

We will review your claim promptly after receiving your request. We will advise you of the results of our review within 60 days after we receive your request, or within 120 days if there are special circumstances that require more time (such as the need to hold a hearing). Our decision will be in writing and will include reference to specific policy provisions, rules or guidelines on which the decision was based, and notice of your right to bring a civil action.

### **Claimant Cooperation**

Failure of a claimant to cooperate with us in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

### **Administration**

The Policyholder has given us the authority to review claims for the benefits provided by the Policy and for deciding appeals of denied claims. In this role we will have the authority, in our discretion, to interpret the terms of the Policy, to decide questions of eligibility for coverage or benefits under the plan, and to make any related findings of fact. All decisions made by us in this capacity will be final and binding on participants and beneficiaries of the plan to the full extent permitted by state and federal law.

We will have no responsibility with respect to the administration of the benefit provided by the Policy except as described above. It is understood that our sole liability to the Policyholder and Members under the Policy will be for the payment of benefits provided under the Policy.

We may contract with another entity to perform this function on our behalf.

### **Legal Actions**

No action at law or in equity may be brought to recover under the Policy less than 60 days after written or authorized electronic proof of loss has been furnished as required by the Policy. No such action will be brought more than five years after the time such written proof of loss must be furnished.

### **Recovery of Overpayment**

If benefits are overpaid, we have the right to recover the amount overpaid by either of the following methods.

1. A request for lump sum payment of the overpaid amount.
2. A reduction of any amounts payable under the Policy.

If there is an overpayment due when the Member dies, we may recover the overpayment from the Member's estate.

## **ADMINISTRATIVE PROVISIONS**

If a premium is not paid when due, we will cancel the Policy at the end of the last period for which premium was paid, subject to the Grace Period provision. Premium Due Dates are shown in the *Schedule of Benefits*. The Policyholder has the sole responsibility to notify Members of such termination.

### **Contributions**

You may be required to contribute toward all or part of your and your Dependent's Insurance under the Policy. If so you must agree to:

1. Have all or a portion of the cost of both your Insurance and your Dependent's Insurance deducted from your pay; or
2. Remit all or a portion of the cost of both your Insurance and your Dependent's Insurance directly to the Policyholder; or
3. Remit the entire cost of both your Insurance and your Dependent's Insurance directly to us or our authorized representative. A Member may elect to pay any premium billed directly monthly, quarterly, semi-annually or annually.

### **Direct Billing**

If you are being billed directly you will receive a request for payment from us or our authorized representative on or before the premium due date. The premium due date will be shown on the request for payment. You should pay the amount due on or before the premium due date. Payment of the entire premium as it becomes due will maintain the Member's Insurance in force through the date immediately before the next premium due date.

There is a 31 day grace period for remittance of premium billed directly. If you do not pay the premium on or before the premium due date, you may pay the premium during this 31 day period. A Member's Insurance under the Group Policy will remain in force during the grace period. If premium is not remitted before the end of the grace period, the Member's Insurance will terminate automatically at 12:01 A.M. on the last day for which premium was paid.

Termination of a Member's Insurance for nonpayment of premiums billed directly will not influence a Member's right to a claim for benefits which arose prior to the termination. Our liability under the Policy is limited to benefits payable for eligible claims incurred prior to the date of termination.

### **Reimbursement Requirement**

If your Insurance or your Dependent's Insurance terminates for any reason we will refund any premium you paid for your Insurance and your Dependent's Insurance after the date of termination.

## **GENERAL PROVISIONS**

### **Assignment**

The rights and benefits under the Policy may be assigned under certain circumstances. Any Member that wants to make an assignment of his Insurance should see the Policyholder for the conditions and further information.

We assume no responsibility for the validity, sufficiency, or effect of any assignment of a Member's Insurance (including an assignment on a form furnished by us or by the Policyholder).

### **Incontestability**

All statements made by a Member are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim unless a copy of the instrument containing the statement is, or has been, furnished to the claimant. In the event of a claimant's death or incapacity, his applicable representative will be given a copy.

After two years from a Member's effective date of Insurance, or from the effective date of increased benefits, no such statement will cause Insurance or the increased benefits to be contested except for fraud.

### **Clerical Error**

A Member's Insurance will not be affected by error or delay in keeping records of Insurance under the Policy. If such error or delay is found, we will adjust the premium fairly.

### **Conformity with Statutes**

Any provisions in conflict with the requirements of any state or federal law that applies to the Policy are automatically changed to satisfy the minimum requirements of such laws.

### **Compensation Insurance**

The Policy is not in place of and does not affect any requirements for coverage under any Workers' Compensation, Occupational Disease or similar law.
