We have some exciting things happening at Dodgertown!

- Ms. Biniaminov and Ms. Kasper, Exceptional Children Education (ESE) teachers, requested funds for a field trip to Legoland in Orlando for our ESE students. The funds were approved at our last meeting. This trip will give the (approximately) 40 students in ESE the opportunity to explore robotics, engineering, and the wonderful world of SCIENCE.
- Math After-School Program has ended. Reading After-School Program started the week of January 17.
- Mrs. Tetreault reviewed the data from the newest iReady Reading diagnostic test. There was an average 30% increase across every grade level in Reading. The iReady Math Diagnostic testing would begin the following week.
- Mrs. Tetreault discussed data from level tests, school letter grades, and mobility rate from 2013-present. There is a strong data correlation between mobility rate and

performance on school assessments. Dodgertown Elementary is facing a high mobility rate in all grade levels.
