Principal's Report:

Mrs. Aretha Vernetta presented the School Improvement Plan (SIP). Through collaborative planning and staff support, teachers will deepen understanding of Florida standards to plan and deliver lessons that implement the gradual release and responsibility model focused on students demonstrating mastery of skills. Differentiation will also be included within this standards-based instruction. Barriers have been addressed and strategies have been developed to correlate with barriers. Progress monitoring will be ongoing throughout all classes.

She then discussed our 2016-2017 FSA Scores, which brought our school letter grade up to a C, and goals for Dodgertown this school year. A noticeable trend for Dodgertown is that 5th grade science scores are an area of concern.

Mrs. Kristen Racine, our vice principal, presented and discussed the Title I Compact Agreement for teachers, parents, and students. She also spoke about our ESOL program here at Dodgertown Elementary School.

Continuous Improvement Model (CIM) Interventions are in place to make gains and increase proficiency and make significant overall gains in reading, math, and science.
