SAC Minutes

Meeting called to order at 3:50 PM

SAC members reviewed minutes from last meeting in January. Ms. Gurklis motioned to approve those minutes.

FSA Scores-For Grade 3, we have 42% at proficiency level (3 or higher), which is the same percentage as last year. There were 3 schools below us, and one was within one percentage points.

Summer School-All students who receive a Level 1, are expected to go to intensive Reading Summer School. In terms of level 1s, we had 32% at a level 1, or equal to 39 students. 10 have exemptions (which means they were retained last year in Grade 3, or they have been retained and have an IEP). 29 summer school letters were sent home.

We again were not the highest level of 1s-we were fourth in line.

Principal's Challenge

We are strongly recommending ALL students read over the summer. There will be a reading log and there are 3 books sent home in each grade level.
