

## Liberty SAC Minutes

11-27-17

Meeting Called to order at 3:48 Presiding officer: Tricia Perakes

Meeting attended by: Sandra Benham, Tonya Coletti, Greg Cook, Leanne Digby-Bryant, Bevohn Dougall, Vanessa Drisdorn, Valerie Evans, Michael Gaudio, Takeisha Harris, Gail Heinbockel, William Hullings, Jamie Lunsford, Julie, Montlbano, Jackie Ogilvie, Tricia Perakes, Melissa Perez, Jeanne Prince, Vanessa Recendez, Cortney Seaman, Amy Speak, Stephanie Wooten,

### Public Input

- Security

Loop in the Morning has become 2 drop off rows. In the main row, three or four cars just park, students are crossing over in front of moving cars. Also at 8:15- parents will get out of car and then their car is just sitting there. Line is not moving after 8:15 because cars are parked and then people are getting frustrated.

- Why is there \$4.00 shipping for yearbook when they are being shipped to the school?

- Drainage for the K playground/ other playgrounds.

There were two dead water moccasins in the parent pickup loop the previous week. Education with children about snakes might be important.

- Marquee

Can there be stepping stones or pavers to walk out to the marquee so that volunteers don't have to walk through the tall, wet grass

- Student's emails

Are they accessible to the outside people? Is it just intranet? Parent tried to send an email to their son of pictures and is there some kind of security to block things from outside people?

- Cafeteria Procedures

What are the new cafeteria procedures? Need acoustic cushions that block sound from the ceiling. Students are allowed to talk to the students next to them but there is no longer ability to talk across the table - they all face one way.

### Agenda minutes from September

Fix the spelling in Mrs. Harris' first name. Motion to approve with changes by Heinbockel, seconded by speak, motion passed unanimously

### PTA Updates:

- Currently working on Winter Fest- volunteers are needed
- A volunteer from SAC is needed to sit on the committee for the Scholarship Basket (for High School Students that previously went to Liberty)- Speak/ Hullings will volunteer for that position

### **IB Report**

- \$2200 raised for Car Wash. Washed 50-60 cars. Lots of fun and it was a good project. Will be sending the donations to Samaritan's Purse to send to Puerto Rico and other islands that were affected by the Hurricanes.
- IB Kids Club- 3rd graders Science with High School IB students
- IB signs sponsors are in

### **Treasurer's Report**

None at this time.

### **Principal's Report**

- Cafeteria Door can not just add a lock- instead 2 new doors must be ordered for \$12,000 each so instead they will just both remain locked from the inside at all times.
- Kindergarten playground will be off limits for 10 days and the posts are flooded so it will be postponed a little longer
- Next year will be our year for IB re-certification, as part of the process- after Christmas we will be asking parents questions using a self- rating form, when IB people are on campus next year they will also be asking parents questions.

### **New Business**

- i-Ready Diagnostic Report

Students will take this assessment 3 times a year. Information is shared with each student/ parent differently at conferences etc.- Diagnostic in both reading and math

See how students are making gains- showed what are parts of an individual student's reports

1-5th Diagnostic will be in December, Kindergarten will be in January. Upper Grades correlated closely to what they did last year for FSA. This is a program that is used district wide K-8.

Motion to adjourn by Colletti and seconded by Heinbockel. Meeting adjourned at 4:26

Next meeting dates are: Feb 26<sup>th</sup>, April 30<sup>th</sup>
