SAC Newsletter:

Some people have shifted and Jennifer Tripp and Kristina Berryman have offered to work together to continue the newsletter.

Membership:

J. Jones reconfirmed that no one wanted to step down from the committee. Everyone is on the ballot to be voted on tonight unless they expressly asked not to be on the ballot.

School Improvement Plan: Discussed our progress towards the Goals. Then broke into groups to discuss questions and concerns.

- Keyboarding: Is there more structure for keyboarding practice? What is the program?
- What is the additional computer lab time?
- Scott Simpson would like there to be one program we go to for keyboarding. Would like the guidelines for appropriate words per minute for each grade level.
- Would like to have computers as a 5th special. It falls under operating budget. Hopeful be the end of the school year that funds will catch up.
- Curtis Carpenter will be our liaison to the school board and get parents to come to the meeting to ask for this. Additional allocation for each school for a 5th special and having the freedom to choose which one best suits their school.
- Have decided organize to meet before the Nov. board meeting.

Principal's Report:

- Electronic marquis up front
- New initiative- First Thursday alternating between McDonalds and Carrabbas. 15% of profits will go to our school for the whole day if you say you are from Osceola.
- Ask questions about Singapore math and new report cards so that you can tell people about it.

Meeting adjourned at 4:50.
