Principal's Report:

- I Ready has been implemented and teachers have been trained. Additional training will occur next Wed. We are pleased with the data it provides us and the remediation and enrichment resources it provides teachers.
- Report Cards have reverted back to the standard scale for report cards. However, our teachers have learned through this process to better provide remediation and enrichment opportunities for their students.
- Principal's Challenge reward occurs tomorrow.
- 5th grade- One to One is up and running and has been a success.
- Science Lab is being cleaned up by Kim Nance. It looks great!
- Conference week is next week. Having it early provides the opportunity for changes to be made prior to the end of the quarter.
- Electronic marquis will be in soon. It has had some delays due to the rain.

- PTA provided \$6,000 to provide a curriculum supplement donations to the school. \$3,000 of this donation has been divided into equal amounts of five hundred dollars between our six grades. The remaining \$3000 is toward individual classroom funds.
