Osceola Magnet School

3:45- 4:30

February 14, 2017

Janine Jones called the meeting to order at **3:50**. **Attendance:** Scott Simpson, Janine Jones, Kevin Oberlink, Kim Rahal, Cindy Rodriguez, Anna White, Marie Gruber, Linda Stewart Manning, Junie Lopez, Ruth Jasmin, Craig MacCoy, Brian Holmes, Kimberly Nance, John Young, Michael Greto, Curtis Carpenter, and Nate Brucker.

Minutes Approval: A motion was made by John Young to approve the January minutes and seconded by Kim Nance.

Technology Teacher Committee: Wants to create a survey for teachers to ask what the technology pit falls are for technology and their feedback on how we can make it more effective. Then we want to look at how we can best integrate it into the classroom to put it more in students hands and support the teachers

Vision Field Trip and Funds Request: Currently we have \$17,426.18 in our budget. Mr. Simpson gave a tour of the campus and pointed out areas throughout the campus where he'd like to create displays showcasing our school's depth of learning in Science, Math and other STEAM pursuits, as well as interconnecting it all through literacy. He, Janice McCord and Therese Victoria visited Douglas Jamerson School on the West Coast. They are a STEM school. Their visit reinforced their belief that we have a lot of great learning in place, but that we need to do a better job of showing what we do - to inspire students and promote our excellence throughout the community to anyone who might visit our campus. After considering other areas we might be spending money in, a motion was made by C. Carpenter and seconded by B. Holmes to approve a \$5,000 dollar, not to be exceeded, budget. The motion was unanimously approved.

Culture Committee Report:

Minutes from the committee were given and there a brief discussion. It was agreed we'd discuss it further next month.

Meeting was adjourned at 5:15.
