Reading of previous minutes / old business

Mrs. Campbell made a motion to have the minutes read and approved from the last meeting -- seconded by Mrs. Boswell

Treasure's report

Treasure's report was read by Mrs. Jobe -- balance is \$7,427.58. This does not include expenses that will need to be paid for the Safety Patrol field trip to Universal Studios. Mrs. Jobe also said there has been 834.45 dollars raised to help offset the cost.

Old Business:

- Mr. Kohlstedt gave some quick updates for the Environment Campus and Community Schools programs.
 - Environmental Campus: on April 7, 2016 district personnel will be at PIE to see campus updates and participate with students in some science hands-on activities. Earth Day is scheduled to take place on April 22, 2016. Mrs. Flak has setup stations that teachers and parents will rotate through with their class during the day. Each of the stations are showcasing the ELC and some concepts that will be taught at PIE.
 - Community Schools: the program is waiting on grant approval. However, in the meantime Student Services is organizing an event on May 21, 2016 to present information on how they can best serve the public. There is an expectancy of about 40 vendors. Mr. Kohlstedt went on to say that the medical services are being set up as a hub system. The concept is to keep students separate from the public as they are being treated.

New Business:

- Mr. Kohlstedt informed the members that the Summative Evaluation Reports have been given to the teachers.

- Mr. Kohlstedt was proud to announce to the committee that a couple of his teachers (Mr. Ferguson and Mrs. Snapp) had recently received state level recognition for being high-impact teachers for student academic growth on the FSA test.
