Thinking Maps

-Our discussion about our Thinking Maps training has been postponed to January.

School-Parent Compact Agreement

-We edited and revised the Compact Agreement to align more with our school. The changes will be made for our 2018-2019 school year.

-Mrs. Hart will check to find out if mid-term reports are mandatory or voluntary to the schools.

Parent and Family Engagement Plan

-We want to have more opportunities for parents to volunteer at our school.

-Parents are welcome in our classrooms for Special Events. However, due to confidentiality, administration does not want them in the classes daily.

-We discussed a volunteer room in the library where parents can work on projects for the teachers. They would have access to the copy machine, die-cut machine, paper cutter, etc. to complete the tasks needed.

-Mrs. Trio also suggested a volunteer tree. The teachers would fill out a request and attach it to the tree. Therefore, parents could choose an item off the tree to accomplish. We thought a good place for the tree would be in the cafeteria. She would be willing to make the tree to get it started.

\*\*Our next SAC meeting will be January 22<sup>nd</sup> at 4:30p.m.
