The teachers shall comprise the Faculty Council as prescribed in the bargained agreement. SAC members may serve consecutive terms. The principal is a non-elected voting member of SAC. Missing two consecutive meetings may result in loss of voting membership. Individuals must inform the Chairperson of reason for absences and the chairperson will determine the continuation of voting membership.

Officers

The SAC shall elect a Chairperson and Recording Secretary. Officers shall serve a one year term with elections occurring at the first regular meeting of the new school year.

Meetings

The SAC shall determine meeting locations, dates, and times. Meetings shall be open to the public, and subject to Chapter 286, Florida Statutes (Government in the Sunshine).

The SAC will emphasize consensus decision-making. If consensus cannot be reached, then a democratic vote will take place requiring simple majority to pass the issue. (A majority of voting membership constitutes a quorum and is necessary for any action). Only SAC members will have voting rights and SAC members must be present to vote. Voting members must receive a 3-day written notice of any agenda action item. Written notice will consist of the agenda posted in the front office 3 days prior to the meeting for public and voting member review. Each meeting will consist of an agenda with discussion and/or action items. Minutes will be sent to the School Board after approval.

Proposed School Recognition Process Guidelines

I. School Recognition Subcommittee:

When school recognition funds are awarded to Sebastian River Middle School, a subcommittee of at least two SAC members, two Faculty Council members, and two non-instructional personnel (suggested maximum of 6 members) will be appointed. The responsibilities of this subcommittee will be as follows:

- Type ballots.
- Facilitate consensus meetings to ensure all individuals are heard.
- Ensure all ballots are approved by both SAC and faculty/staff throughout the process. (Approval of the ballots by both SAC and faculty/staff indicates that the results are also approved by both parties at the end of the process.)
- Ensure integrity of the voting process.
- Communicate meetings and decisions to all parties in a timely manner.
- Only vote on official ballots and not share personal opinions during consensus meetings (to ensure impartiality).
- Check annually for any procedural or award changes (through school administrators and FL DOE).

II. Ballot Recommendations/Requirements:

The first ballot must include all options per FL DOE (see appendix).

Through the process, the following must be determined if “one time bonus” is selected on the first ballot:

- Who (i.e. teachers only, all staff, etc...)
- When taught at SRMS (last year only, this year only, both, etc...)
- If share is chosen: How to share (split evenly, percentage distribution, etc..)

III. School Advisory Council & Faculty/Staff: Approval of the ballots as the school goes through the School Recognition Process indicates approval of the results after the voting on each ballot is tabulated and recorded.

Amendments

Amendments to these guidelines may be proposed at any time. Voting amendments will take place at the following appropriately scheduled meeting. Amendments will pass if approved by a 75% or more majority vote of the members (quorum) present.
