3/16/2016

8:05 AM Meeting opened with Kelley Rowe making a motion to approve the last meetings minutes.

6/0 were in favor with a YEA.

Updates:

The immediate teacher vacancy interview began yesterday and will continue throughout the week.

Pool updates

The gas ran out of the tank and there is not an account set up for purchasing powers yet. As a result of the gas running out the chlorine count is too high resulting from not enough water plumbing circulating around. The Coach is on top of the situation at hand seeking a solution or answers as to when the movement will get going on solving these current problems.

Graduation planning will begin soon. The exact date is not chosen yet. There will be after school planning meetings open to anyone to attend. There are three graduates from Wabasso this year.

Upcoming student scheduling will begin after school and all staff are invited to attend.

The Extended School Year dates are set for June 13- July 8 with July 4 off as a holiday.

The upcoming field trips are Charter High School Very Special Arts day, McKee Gardens and possibly a Universal Field trip.

It was mentioned by Tara McFarlane for a suggested repeated Water day at Wabasso. The idea will go to the principle for review.

Next meeting will be May 18, 2016 @ 8 AM in the teacher lounge.

Meeting ended at 8:24 AM
