#### Field trip updates

PALS Day at St. Edward's and Very Special Arts Day at Charter field trips went very well. There were no issues for either field trip. An email came from high school students asking how to come to our school and volunteer after experiencing a day with our students.

#### Quarterly Literacy Unit update

Last month book and movie field trip was Sing. Upon arrival at theater we found out the movie did not arrive at the theater and we watched Moana. The theater offered to make up that mistake and offered the movie and snack free of charge and in addition another trip to see new release LEGO movie. There has been great feedback from parents with these experiences, from social exposures to going to a public facility and learning to watch a movie. We will be attending that make up trip on Friday, March 17.

#### Upcoming Field Trips

4/3            McKee Botanical Gardens

5/12            Water Day

\*Sensory water slide has been requested for students that particularly enjoyed it the first year we had water day.

#### Assessments

FSA and FSA Writes went well, no issues with that testing. After Spring Break the high stakes assessments will continue to take place FSA English Language Arts. It has been requested that the SAT 10 given in addition and was approved if the students do not meet the requirements of the FSA Language Arts. We have 4 candidates and 3 at risk who have never been retained.

#### Register Behavior Technician

Fifteen slots for Register Behavior Technician (RBT) were filled which is a 40 hour over 8 weeks' course that is scheduled to finish March 30, 2017.

#### Scheduling

Student scheduling for next year will take place on March 28, 2017 that is open to all staff members. We will be looking at individual student data needs and placement. Next year's finalized schedule will also be the summer school placement for students to experience an adjusting period with any new peers or teachers.

Next SAC meeting will be 5/17/17

Next meeting scheduled on \_\_\_\_\_ @ 8 AM in teachers lounge.

Meeting adjourned: 8:40 AM.
