Vote on SIP Goal

Goal 1- Increase Reading scores for students taking the FSA and FSAA as measured by various progress monitoring assessments.

Goal 2- Increase Math scores for students taking the FSA and FSAA as measured by various progress monitoring assessments.

Goal 3- Decrease the number of crisis interventions as measured by the reduction of Code 1 and Code 2 request data.

Goal 4- Develop independent living skills for students in the Transition Program.

Facilities update:

Room 1 is complete with living learning lab remodel including new LED lighting in the classroom.

Room 6 floors replaced with a new rubber texture that is used in the operation rooms of a hospital. It has an antibacterial feature and an anti-slip benefit.

The hallway behind the front office is now outfitted with new LED lights that light up the entire hallway as bright as a sunny day.

The drainage is functioning completely and the ramp is newly improved to ADA compliance.

There is a plumbing problem in the therapy room building resulting in all plumbing capacities at a halt.

Principal is working furiously on getting the best options put in along with speediest turnaround.

Principal news:

All updates were addresses in the earlier agenda items. There are no further notices at this point.

Open Agenda:

Alyssa Hartmann mentioned she received many donated gifts to her classroom from the Marks family, including specific items such as a document camera, flexible seating balls, textbooks, supplies for classroom, headphones for computers and brand new trashcans! She shared some items among all staff members and it was greatly appreciated.

Jenna B. mentioned the enlarged sidewalks are very nice to use when classes are passing each other in between periods.

Next meeting:

Our next scheduled SAC meeting is the 3rd Wednesday of October, so October 18, 2017 at 8 A.M. teachers' lounge.
