Review of SIP

Principal Bartman stated that the goals are the same in objectives however the verbiage is different and meant to guide the teachers as a strategic plan, taking every student forward one step at a time.

The SIP is a working document and will be out every day being review and monitored.

The goals are as follows:

Goal 1: Improve ELA/ Reading and Math scores as measured by assessment tools (e.g. FSA, FAAA, task analysis and discrete trials.)

Goal 2: Develop independent living skills for students in the Transition Program.

Goal 3: Decrease the number of crisis intervention.
