Dawn Molton – Reading Teacher submitted a grant for Foundations in Personal Finance which was \$3,213.99. The SAC Committee’s discussion determined that this program was already funded through the VBHS curriculum in the areas of Accounting and Economics. Dawn Molton also submitted a proposal for a Senior breakfast and snacks for students needing the reading concordant score to graduate. She requested \$1,500 for food items.

A motion was made by Cody Lanier to reject the proposal, which was seconded by Johnny Taylor. All were in favor; motion carried. For the senior breakfast grant proposal a lesser amount was discussed. The committee determined \$400 may be a more feasible option. Edie Collins made a motion to give \$400 for the Senior Breakfast and Alex Bounassi seconded. The committee decided to further discuss this at the next meeting.

### **Principal’s Report**

#### **Data:**

Mr. O’Keefe and Assistant Principal David Erickson did a School Money Presentation and discussed school recognition funding. The SAC was presented with fund proposal for approval.

#### **School Security / Safety:**

Mr. O’Keefe addressed this issue and stated that the problems were being addressed by meeting with administrators (60+) in attendance with recommendations.

- Hall passes, one (1) student at a time not for first or last 10 minutes of class to avoid having too many students in the hall at one time during classes. Also, each building has its own color hall pass to keep students from not being in the right building.
- Earbuds and cell phone usage needs to be uniform between classrooms.
- Gates at 16<sup>th</sup> and 20<sup>th</sup> Street remain locked until 6:30 am.
- Blind spot mirrors for entry ways (FLC).

The meeting was concluded at 5:10 pm and Edie Collins made a motion to adjourn, seconded by Cody Lanier. All were in favor as there was no further discussion.
