Discussion on how to draw more participation to activities and overcome barriers that were highlighted in the survey. Possible solutions mentioned:

- *Drawings for parents – gift certificates or discounts at local businesses
- *Incentives for students through teachers
- *Sign-up sheets for other volunteer opportunities made available (IE: Cafeteria and bus loop needs) – the first opportunity will be at the Kindergarten Christmas Concert on December 11, 2018.
- *A reminder that the public library has free internet for households that don't have it available.
- *A "Buddy Bench" was suggested in the survey to add to the playground – it was suggested to add to agenda for December with pricing details.
- *More Family Nights at different places – Ruby Tuesdays, Woody's, Strike Zone, Mulligan's
