Deputy McKay and Fellsmere PD will be directing traffic. Crossing guards will remain in their current place. Hopefully getting a volunteer sheriff to assist as well with directing traffic. Lots of logistics and changes, so patience is needed. Front office will be moved temporarily to back double doors. Officer Newsome is going to contact Public Works in regards to ensuring the dirt road is graded and being kept up due to increase in traffic. Transportation will be coming to meet with administrators regarding pathways.
- Library- Mrs. Newkirk- Mrs. Newkirk would like approval for SAC to purchase and electric computer table/desk and chair for the media center that can accommodate students all heights, as well as, students with disabilities.
