School Updates

- School Grade Prediction – Mr. Kohlstedt previously predicted the school grade to be a high 'C.' After entering 3rd grade iReady diagnostic scores, he now predicts a 'B' school grade, but 4th and 5th grade scores have not been included. Portfolios for 3rd grade students are being worked on. FSA results will not be back before the end of the school year so promotions and retentions will be predicted based on iReady and portfolios. Grades 3-5 unit test scores have increased. The school is working to close gaps now.

- AR Report – Mr. Kohlstedt read the AR report comparing the school to the district. Currently, the school has 85% participation for AR with 58% success; the district has 47% participation with 51% success.

Questions/Comments

- Mrs. Weeks congratulated the staff on a job well done this school year.
