Sanford harmony looks like in the classroom; the kids greet each other in the morning, end of the day they talk about how they can improve, students were taught how to use our new buddy benches, 5th uses it with fidelity also Mr. Brandon uses it in all k through 5 in social emotional groups. Mrs. Sharon Miles-Brown (administrator secretary) will make that edit Tuesday 10/24/19. Mrs. Long motioned to approve the school-parent compact agreement. All in favor.

Family Engagement Plan

All members had received a copy of the family engagement plan a week prior to this month's meeting via email. Mrs. Hart asked for this to be on the agenda for next month due to making some edits with district title 1 resource Krista Sadlers on Tuesday 10/24/19.
