Reading of Previous Minutes

Mrs. Franke made a motion to have the minutes read and approved; motion seconded by Mrs. Recio.

Treasurer's Report

Treasurer's Report was read by Mrs. Jobe. The current balance is ~~\$3,183.22~~ \$6,005.68 (revised November 20, 2019 to reflect accurate balance) after purchase of the water filler, water filters, water bottles, and ESGI technology program.

***Note: The previously approved funds for 5th grade science magazines were not purchased. Since the request, 5th grade has restructured as traditional classes and felt the purchase would not be needed at this time.*

School Updates

- The first quarter award ceremony will take place on November 1st from 9:00-10:30 am. Parents will go to the child's classroom for the presentation of the awards. Different blocks are allotted for each grade level so that parents with multiple children may

attend each child's classroom ceremony. At the award ceremony, each child will receive their water bottle and the book for the One School, One Book initiative. This time the book is *The One and Only Ivan*. All students in the school will read and interact with the same book. Teachers and staff will post readings of the sections of the book, as well, so students may follow along even if they are not yet able to read themselves.

- Unit test average scores and comparisons to the district were shared for grades 3-5 in reading, math, and science. The new math coach began pulling groups, which will hopefully increase math scores.
 - Mrs. Wentz noted the science averages on the tests as being great.
