- e) Events: Students with perfect scores on FSA are celebrated. The Learning Gains celebration is next Tuesday. The district celebrated the highest learning gain in each category. Storm Grove had eight students that took part. On October 22nd there is an award ceremony and NJHS induction. There are sixty students being inducted on the 22nd. Veterans Day salute is on November 12th due to there being no school on Veteran's Day, November 11th. The bands play and orchestra plays. The duration of the event is about one hour. All students are in the courtyard to see the presentation.

6) New Business:

- a) Traffic Patterns: John Young presents that the traffic is backed up in the car pickup and drop off. He suggests that something be released to the parents about the traffic pattern. It is posted, but it is not being followed. It is happening most frequently at prime time for drop off. People are coming from the east side instead of the west side. An idea was proposed of creating a flyer and handing out to the cars. It was suggested that Sgt. Bailey may be able to get an officer out there for traffic control. There will be an email sent out with more information once Sgt. Bailey is contacted.

7) Old Business:
