### **School Branding**

Dr Moore is conducting a new initiative of School Brands for All schools

- This will need the help of all, including teachers, parents etc.
- The purpose is to help parents make an informed decision for which school they want to send their children to.
- Each school will have a brand associated to that particular school that demonstrates the bright spots of the school.
- Survey will be going out to parents with a possible list to choose from and also an area to write in any ideas they may have.
