White	4235	50	6	0 (5%)
Total Students	8397			

The ethnic composition of the SAC should reflect the ethnic make-up of the student population

SAC Compliance

Yes - The majority of SAC members are non-school employees.

Report Comments:

The Alternative Center for Education has a very high rate of mobility among their student population. Therefore, their SAC membership is based on the student demographics for all schools in which they serve.

The ethnic composition of the SAC should reflect the ethnic make-up of the student population

SAC Compliance

Yes - The majority of SAC members are non-school employees.

Report Comments:

Dodgertown's School Advisory Council is continuing to encourage parents to join. Our SAC continues to take every measure to ensure that membership reflects our ethnic, racial, and economic community served by the school. At Orientation Night, we had a SAC booth in order to share information as well as to build our membership. We reach out to our parents and community members through calls, letters and personal invitations.

Yes - The majority of SAC members are non-school employees.

Report Comments:

The Storm Grove Middle School Advisory Council is composed of 11 members and does represent the demographic makeup of our student body. Seven members of SAC are not employed by the school district. Every effort is made to advertise the opportunity, solicit parent involvement, and secure representation from all segments of our school population.

Yes - The majority of SAC members are non-school employees.

Report Comments:

The invitation to all parents requesting their membership and involvement in the School Advisory Committee occurred through our Newsletters, Open House Parent Night, and through School Messenger calls. We will continue to invite parents from diverse ethnic backgrounds to serve on our SAC committee throughout the school year.
