- Meeting called to order at 3:51 p.m. The minutes from the previous meeting were approved by a unanimous vote. Motion to accept was by Cynthia Noonan, 2<sup>nd</sup> by Alan Keyser.
- Discussion regarding the SRMS School Improvement Plan took place. Members reviewed the Reading section along with information given by Dr. Shaw.
- Dr. Shaw brought up for discussion the possibility of offering a Saturday Academic Program to be used for instructional use only. Using referral data and grades to pinpoint areas of deficiency. Specific details regarding the program would need to be discussed prior to taking any donations (which were offered) to help fund the program. Dr. Shaw stated that a 3-hour program twice a month would cost about \$300/month. Suggestions regarding using parents and High School IB students along with the teacher to provide quality one-on-one assistance would be extremely beneficial.
- Discipline referrals have gone down, which has been attributed to teachers working more with students in the classroom and with parents with interventions first.
- Fall Sports Season Banquet will be held on Nov.
- NJHS will be participating in the March of Dimes walk on March 3, 2012 and will be coordinating activities in the school to promote awareness and raise funds for research.

Meeting Adjourned 4:45pm.
