- After reading October minutes there was a question about the request for \$500 to PBS or AR – Book A Day as it may not be funded next year. There was a suggestion that IB volunteer hours could be given if donate for end of year auction. We need to make sure we have money for cowboy camp (and course recovery if needed).
- It was decided to table the accepting of minutes for October until we review the situation.
Motion by; Alejandra Cendejas 2nd by Katherine Bartolini
- “A” school money vote was to leave as it was last year. However for next year we will look at the percentages again, as it seemed to be something the committee heard a bit about from teachers.
