Mrs. Weeks made a motion to have the minutes read and approved for the December 16, 2019 minutes; motion seconded by Mrs. Franke.

### **Treasurer's Report**

Treasurer's Report was read by Mrs. Jobe. The current balance is \$6,005.68. The last request amounts for the speaker system and 2<sup>nd</sup> grade field trip will need to be adjusted (\$36.82 extra for speaker for shipping cost and \$10.00 for 2<sup>nd</sup> grade field trip bus cost). Additional money will be gained from return of Lead Teacher Supply money.

### **Request for Funds**

- Mrs. Lott (ESE teacher) requested \$50.00 to purchase organic soil and seeds for the Carton to Garden project, which aims to repurpose milk cartons in unique ways. Mrs. Lott plans to use Peace, Love, Reduce, Reuse, Recycle and Peace, Love, and Flower Power as the themes.

- Mrs. Weeks noted that J. Tomberg's family owns a nursery as a suggestion for donations. The phone number will be shared.
- Mrs. Sampson motioned to approve the request; all members approve.

### **School Updates**

- Rosi Stubbs, who donated glow sticks for Gwen (thank you notes), shared about the recycling club and scholarship opportunity to do something fun. SRHS scholarship is provided by collecting ink cartridges and through yard sales. Smith/Herndon scholarship for college students is an additional scholarship. She is also thinking of starting a book scholarship. The goal is to reduce the supply list for North IRC schools.
- Mrs. Moree shared iReady and unit assessment data. Currently, PIE is on track to be a 'B' school this year. PIE is growing at a faster rate than the district and is currently the highest ranked non-magnet school in SDIRC.
- Mrs. Moree discussed after-school learning opportunities that are being held by teachers beginning next week to support reading and math.
  - Mrs. Wentz asked if other teachers could support 4<sup>th</sup> grade because her teammates are not available to participate.
- Mrs. Wentz discussed the next Mathkateers event.
