**Use of SAC Funds- Singapore Math-** We currently have \$3,638.21 in our SAC budget. In addition, we have \$1,500 from PTA and \$6,000 from the California Grant to be used for our Singapore Math training. A request was made for \$4,100 for Singapore Training for Mar. 18<sup>th</sup> through 19<sup>th</sup>. A motion was made by Craig MacCoy to approve the funds and seconded by Rachel Riley. The motion was approved unanimously.

**Principal's Report:** The Fun Run is approaching next week. Regarding preparation to prevent the spread of COVID-19, custodians must wear extra gloves while cleaning and spray a mist spray each night, that air dries before students return the next school day, to better disinfect the classrooms. In addition, teachers will be administered heavy duty wipes to wipe down the classroom three times a day. The school is making provisions to put a room in place to secure a student that comes to school with a fever and presents with symptoms of COVID-19. The district has put a plan in place for every scenario. Finally, OMSE will not take part in the School Choice event this Spring, in that we are a choice school and already have a waiting list. We will take part in the Fall School Choice event.

**PTA Report:** Pledging for the Fun Run is already on- going. There is a school assembly Monday to kick it off. New incentives are being put in place and the theme this year is a "color run". In addition, the PTA has already received 10 applications for college scholarships.

**Meeting was adjourned at 4:07.**
