

## **SAC Meeting**

**3:46-4:29**

### **Osceola Magnet School**

**September 1, 2020**

**Attendance:** Janine Jones, Kevin Oberlink, Chadwick Bacon, Jessica D'elia, Amy Hrynyk, Le Kooc, Nate Bruckner, Curtis Carpenter, Carrie DeLuca, Craig McCoy, Gali Dupay. Guests: Rebecca White, Jen Morrow, May Sauri, David Dodd, Pam Prange, & Heather Young.

**Approval of Minutes:** A motion was made by Nate Bruckner to approve February's minutes and was seconded by Le Kooc.

**Budget:** Our budget has a greater balance than we anticipated. We currently have \$5008.19. We didn't spend as much money on Singapore training, due to Covid-19. Nate will have an update on the grant next month. There is no new information on A money funds right now.

**SIP-** Jen Morrow and Heather Young shared what goes into making a SIP Plan. We decided to use winter diagnostic data for accuracy from third grade, then looked at proficiency rates and subgroup performances. We reviewed performance and described performance trends by subgroups. More Singapore Math training and the use and methodology will be helpful in increasing proficiency for our measurable outcomes. We will also focus on differentiating instruction in ELA and math with focused attention on implementation of collaborative planning and ongoing progress monitoring. The plan will be voted on Sept. 15<sup>th</sup>.

**School Visioning- Engineering:** Pam Prange shared the School Visioning slide show and discussed how it had been shown to the staff. In the future it will be shared with the School Board and community members as a vehicle to communicate our Engineering Vision being integrated into our school culture. Dori Shemo worked on this presentation throughout the summer to communicate our vision.

**PTA Report:** Mrs. Dupay shared that she is filling orders for items that we received during orientation. We have around 150 members right now. Fun Run did not happen due to Covid. They are looking to create a virtual fun run in November to raise funds, and there will be a catalogue sale towards the end of this month, as well. All catalogue items will be delivered directly to the home. PTA is currently looking for a new fundraising chair and a yearbook chair.

**Principal's Report:** Dr. Bacon shared that he was happy to be here. EBD unit environment has been changed and moved. Rock star guidance counselors and ESE assistant that are trained and equipped to improve the EBD environment. Sarah from Singapore Math came to do a PD before school started. We've had our second mulch beautification day. It was very well attended. Last week we had a bump in the road with two Covid cases on campus. However, we received accolades from the Dept. of Health for how we handled it and mitigated it, due to our procedures and policies in place. We have put some additional procedures in place regarding computer use and safety. Our School has a solid plan to integrate engineering into the fiber of our school, that has been in the works over the last three years. He is excited and optimistic for the school year.

**Meeting was adjourned at 4:29.**
