Chairman's Report:

Thank you so much for joining us in this crazy time. It is so nice to have most of our children back. Thank you teachers. I look forward to this school year with you. Mrs. Bey is curious about our current capacity. We are at about 80% capacity.

Principal's Report:

1. This is family engagement month. We need to stay connected with Covid.
2. Minutes from our last meeting were approved.
3. Our SAC budget is \$4,728.08.
4. Our teachers are doing a wonderful job. Teachers are making connections with families. We are at full capacity.
5. I love Thanksgiving. Everyday of the week we are doing something fun. We are supporting teachers by looking at data. Glendale University is on Tuesday and Thursday. We are practicing our new teacher evaluation tools.
6. We are staying safe with Covid. Virtual and Transitional student check up. Some virtual and transitional students are missing instruction. We are inviting students back.
7. The new playground should be repaired soon. We are hoping to overhaul the car loop. My hope is that both will be repaired after the break.
8. We are able to donate meals to families for Thanksgiving. Clarence got 60 boxes donated! For families without the ability to cook a meal (ex. living in a hotel) we can send those families a gift card and books. Teachers would like to put the boxes together, to write a little note, and make it special.
9. Gator Express Alternatives: We are going to table it until Spring, when the Governor makes a directive regarding Covid. We will start planning after Winter Break.
10. Murals: Ideas to decorate: stronger together/diversity, science & engineering, think about ideas and email Mr. Faust. We would love for the kids to do them. Mrs. McDaniel to send a survey out to teachers for ideas.

Next Meeting: The next meeting is scheduled for December 8th at 4:00 p.m.
Reverse Gator Express, and mural ideas.

Adjournment

Meeting was adjourned at 4:46 PM by Principal Adam Faust. The next general meeting will be on December 8th, virtually at 4:00 PM.
