New Business: Mr. Simpson

1. Reviewed the family survey data for 20/21 (see attached)
2. Discussed the possibility of a future fund raiser...selling banners to local businesses to be hung on the fences in the front of the school.
 - Used a sample from Osceola Magnet explaining how the program works.
 - Asked the committee to brainstorm ideas to be presented at the Jan. meeting.
 - Concerns discussed were prices, size of banner, company to purchase banners from, how to distribute the funds raised, and how the program will be advertised.
 - Mr. Simpson will have Barbara inquire about prices from different companies to be presented at the next meeting.

Questions concerning the return of virtual/transitional students after the break.

- Mr. Simpson responded that the Superintendent Mr. Moore had stated that the transitional and virtual program would be extended into the spring semester.
- Any student wishing to return to brick and mortar may do so at anytime during the year, according to the governor of FL.
- There have been instances where Mr. Simpson has had to make the decision to have a student return to school even when the parent has not, for the better of the student.
- School enrollment is on the increase in our district, but we are still within our allotted numbers to maintain safe distances.

Next meeting: Tentative...Tues. Jan 12,2021 @ 3:45 in the Media Center/Virtual
