A meeting of the Sebastian Elementary School Advisory Council was held in the media center on 11/30/2020. Mrs. Hart called the meeting to order at 5:05 P.M. Sharon Klein will record minutes for this meeting.

Minutes: The minutes from the October meeting will be sent out electronically by Michelle Dunderdale and we will have them approved virtually. Mrs. Hart explained that our school improvement plan SIP has been approved and is available to view online. Mrs. Hart passed out a copy of the Family Engagement Survey Results and explained that we received 73 responses.

Open Agenda: Mrs. Hart explained that prior to November SES did not have any COVID cases reported on our campus. The start of November we had many transitional families return to the traditional format. Mrs. Hart explained that she was reflecting on this and stated that she will have a re-entry protocol in place for transitional/virtual returning student(s) and families regarding our procedures for when students should be kept at home along with our protocols for mask wearing, social distancing and sanitizing. Our next SAC meeting invitation/reminder will include a zoom link to join us virtually.
