Ms. Vernet spoke about the upcoming events at Dodgertown Elementary School. A few events are: Literacy Week, ELA Book Adoption, Extended Learning Opportunities with GEER (Governor's Emergency Education Relief Fund). Tutoring is being provided in literacy for Grades 1-5. Ms. Vernet spoke about Focus Friday and how teachers will focus on closing learning gaps and providing enrichment opportunities for students in all grade levels. PBIS is hosting a Super Bowl Sundae event on Friday or Monday to celebrate positive behavior at our school.

There was a request for Time for Kids magazines which include printed and digital copies for students in Fourth and Fifth grade. The request was for \$356.00 this would purchase 100 magazines at \$3.56.00 each. The motion was made by Sue Carroll and seconded by Lawrence Gaulkin. A vote was made, and it was approved to purchase the Time for Kids magazines.

Ms. Vernet spoke about the IMPACT review and shared data about the walk-throughs that the District made. There was a rise in student engagement and expectations, along with standard-based instruction. Fifth grade will be having changes to their schedule because our school received two of our teachers back from the transitional model. This change will be best by kids to provide smaller class size to meet needs for our students. There were no questions or concerns by the SAC members.
