New SAC Secretary and Voting:

- L. Kooc volunteered to be acting secretary. We did not have quorum to vote so it will be added to the next SAC meeting.

Title 1 Parent-School Compact:

- Mrs. Roux shared the rationale behind the parent-school- compact and how each year the document is sent home as a compact between the home and school. Parents were given the opportunity to make changes to the document. Parents reviewed and determined that no changes were needing to be made.

Title 1 Parent and Family Engagement Plan:

- Mrs. Roux shared the Parent and Family Engagement Plan on how we will build capacity and barriers to success. Parents reviewed the current list of engagement activities. L. Kooc asked a clarifying question of who is responsible to planning the events. Mrs. Roux stated that is a combination of school employees and parent volunteers.
- L. Kooc asked a clarifying question about the Sunshine State Readers and prizes. Mrs. Roux stated she would need to ask out media specialist but for next summer it would be something that could be planned and promoted.
- Mrs. Roux asked parents if they would be interested in adding an FSA Parent Information Night where parents would be able to learn more information about the test and see sample test items. Parents agreed that would be a good addition to the PFEP.
- Parents were given the opportunity to add additional changes. No additional changes were proposed.

School Improvement Plan:

- Mrs. Roux reviewed our 4 School Improvement Goals and the Action Steps for each goal. Parents were given the opportunity to ask clarifying questions. Mrs. Roux stated that we will be voting to improve our School Improvement Plan at the next SAC meeting and please reach out with any questions or concerns.

Principals Update:

- Dr. Robinson elaborated on the four school improvement goals and how he feels that during the pandemic last year and the three teaching models our school goals from last year were not able to be monitored or implemented with full fidelity. Due to that fact, he feels that we need to keep our same goals to move Oslo to an A.
- Dr. Robinson shared that with Covid-19 and the mask mandate we are following district procedures.

- Dr. Robinson shared that he has sat down with all athletic coaches and clubs to discuss the positive things that are happening at Oslo. Dr. Robinson shared that his goal is to change to the narrative and view on Oslo.
- Dr. Robinson shared that we are still hiring for some positions and with numbers we might be gaining an additional two allocations. He will provide an update at the next SAC meeting.

Open Discussion:

- Mrs. Roux started a discussion on how we can gain more parental involvement for SAC. L. Kooc stated that many parents might be unaware of the purpose of SAC and it could be helpful to advertise the purpose and send home flyers.
- Mrs. Roux reviewed the meeting dates and times for 2021-2022. SAC determined that a change in times might also help with attendance. Mrs. Roux will be creating a survey for our social media to gain a better understanding of days and times that parents would best be available for SAC.
