**Call to Order:**

A meeting of the Sebastian Elementary School Advisory Council was held in the media center on October 25, 2021, Mrs. Sherrill-Long called the meeting to order at 5:11 P.M. Stacey Cephus will record minutes for this meeting.

**Minutes:**

Monica Sherrill- Long reviewed September SAC meeting minutes and Mrs. Patton motioned to approve them. Some of the SAC members attended virtually and needed minutes emailed to them before approval. Motion was second by Tamika Kroger and approved.

New SAC Secretary: Stacey Cephus will fill in for the interim.

**Family Engagement:**

Mrs. Hart said there will be a Math Night on November 17, 2021. There will be a project to do and there will be math-oriented supplies sent home. Title One funds will be used for the Math Night. Mrs. Hart is going to see if we can get a bus for Math Night to help with our transportation issue.

Mrs. Hart reviewed the Parent Survey results. We have 350 students and we had 27 responses. In the responses transportation was an issue – Mrs. Hart wants to have buses to help assist. Communication via text message was mentioned – as a school we have class dojo, Mrs. Hart will also have her Sunday messages be sent via text message. Speech impairment was mentioned- Mrs. Hart is going to see if there could be a translator available for activities if needed. Some of the other barriers that were mentioned was work schedule, other children, travel time. Parents would like to be chaperones and have field trips – we are not doing right now because of Covid.

Mrs. Hart is going to ask Title One if we can send out the survey again and offer a pizza party to the class with the most responses. It would be beneficial to have more input.
