Call to Order:

A meeting of the Sebastian Elementary School Advisory Council was held in the Media Center on September 26, 2022, Mrs. Sherrill-Long called the meeting to order at 5:02 P.M. Stacey Cephus will record minutes for this meeting.

Minutes:

August SAC meeting minutes reviewed. Nicole Patton motioned to approve them. Motion was second by Page Falsetta and approved.

New Business:

School-Parent-Student Compact Agreement- We went through the compact agreement from last year. With the changing of the date from 2021-2022 to 2022-2023, it works for this year.

Parent and Family Engagement policy-(PFEP)- This is where you can find everything that the school says it will do throughout the year. The group looked over points on the PFEP such as the data from last year. We discussed that transportation doesn't seem like a barrier this year. There is a barrier of childcare for parent focused nights. We will add childcare as a barrier on this year's PFEP. There was a discussion that missing focus accounts could be a barrier also. Without a focus account the parents are missing important information. Mrs. Hart stated that she wants to take Professional Development out to the communities. The group will take the PFEP packets home to read through them and give feedback through email.

Partnership- Ms. Cephus is working with Dairy Queen in Sebastian on becoming a partner. Dairy Queen has requested a letter stating what we are looking for in the partnership. Mrs. Sherrill-Long said she would get with Mrs. Sharon Miles-Brown to get the information.
