## School Board Approval

This plan was approved by the Indian River County School Board on 10/24/2022.

## SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS\&I) and Comprehensive Support and Improvement (CS\&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS\&I, a school must have one or more ESSA subgroup(s) with a Federal Index below $41 \%$. This plan shall be approved by the district. There are three ways a school can be designated as CS\&l:

1. have a school grade of $D$ or $F$
2. have a graduation rate of $67 \%$ or lower
3. have an overall Federal Index below 41\%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.
The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all noncharter schools with a current grade of D or F, or a graduation rate $67 \%$ or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## Part I: School Information

## School Mission and Vision

Provide the school's mission statement.
The mission of SRMS is to develop citizens who are nationally and globally conscious, possess personal integrity and pursue academic excellence through content area literacy. Our efforts will create life-long self-motivated learners who actively serve their communities.

Provide the school's vision statement.
At SRMS, we read, innovate, collaborate, and achieve!

## School Leadership Team

## Membership

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities.:

## Part III: Planning for Improvement

## Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

## What trends emerge across grade levels, subgroups and core content areas?

Significant gap disparities were identified for Economically Disadvantaged students as well as ESSA subgroups ESE \& ELL. Focus on strategies that can improve these subgroups will significantly improve overall achievement in each tested area. In order for Math and ELA gains to increase percent proficient students in the 2.5-3.0 range must demonstrate growth to proficiency.

What data components, based off progress monitoring and 2022 state assessments, demonstrate the greatest need for improvement?

Significant gap disparities were identified for Economically Disadvantaged students as well as ESSA subgroups ESE \& ELL. Focus on strategies that can improve these subgroups will significantly improve overall achievement in each tested area. List ESSA subgroup that fell below $41 \%$. Include an implementation step below to support the ESSA subgroup identified. ELL: 34\% Overall ELA MATH SCI SS 19\% 31\% 16\% 36\% ESE: 29\% Overall ELA MATH SCI SS 15\% 26\% 6\% 35\%

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

Staff Attendance was 94\% and Student Attendance was 90\%. Research shows students who attend school regularly have higher achievement than those with chronic attendance. Research shows chronic staff attendance negatively affects student achievement.
Every 1st period teacher will call their students within the first 8 days of school.
Reinstitute SWAG Committee (Students With Attendance Goals)
Weekly overall adequate staff attendance.
Recognize adequate staff attendance.
Chronic student attendance will be monitored by grade level guidance counselor.
What data components, based off progress monitoring and 2022 state assessments, showed the most improvement?

Math learning gains and bottom quartile made significant gains and the most improvement
What were the contributing factors to this improvement? What new actions did your school take in this area?

Small group interventions, after school tutoring, increased number of foundational classes.

## What strategies will need to be implemented in order to accelerate learning?

Students scoring a level 3 on ELA state assessments have been given Critical Thinking courses for ELA. Students scoring a level 3 on Math state assessments have been provided accelerated coursework.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

Professional development opportunities for monitoring and formative assessment instruction. PowerBi and iReady professional development to assist teachers with data analyzation.
Participation in the $90 \times 9$ incentive grant for providing tools for teachers to improve students passing the Algebra EOC by 9th grade.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

Student Activity Days Activity Days Scheduled for 9/23 (8/15-9/16)
No more than one lunch detention and $90 \%$ ADA
Implemented student systems to promote schoolwide expectations
$100 \%$ of our Math, ELA, Intensive Reading, Critical Thinking, Social Studies, and Science teachers will show evidence of documentation of monitoring in lesson plans and during walkthroughs monitoring will be clearly established as a norm within daily lessons in order to decrease the achievement gap of our ESSA subgroups.

## Area of Focus

Description and

## Rationale:

Include a rationale that
explains how it was identified as a critical need from the data reviewed.

## Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

## Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

## Person responsible for

 monitoring outcome:Evidence-based Strategy:
Describe the evidencebased strategy being implemented for this Area of Focus.
Rationale for Evidencebased Strategy:
Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

## Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.
Student Activity Days Activity Days Scheduled for 9/23 (8/15-9/16)
No more than one lunch detention and 90\% ADA
Person Responsible Todd Racine (todd.racine@indianriverschools.org)

## Positive Culture \& Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles
and relationships in student learning and a culture that values trust, respect and high
expectations. Consulting with various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies that impact the school culture and environment. Stakeholder groups more proximal to the school include teachers, students and families of students, volunteers and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services and business partners.

## Describe how the school addresses building a positive school culture and environment.

Data Findings:
Attendance
Student
6th - 90\%
7th - 89.7\%
8th - 88.2\%
Staff
23/51 = Adequate >95\%
9/51 = Severe 90 - 95\%
20/51 = Chronic <90\%
Rationale for Selection of Data

- Research shows students who attend school regularly have higher achievement than those with chronic attendance.
- Research shows chronic staff attendance negatively affects student achievement.

High Yield Strategy: Relationships
Goal: Staff Attendance will be $>95 \%$ in the 1st 9 weeks. Student Attendance will be $>93 \%$ in the First 9 weeks.

## Identify the stakeholders and their role in promoting a positive school culture and environment.

## (1st Period Classroom Teachers)

- Every 1st period teacher will call their students within the first 8 days of school.
(Administration)
- Weekly overall adequate staff attendance.
- Recognize adequate staff attendance.
(Guidance Secretary)
- Reinstitute SWAG Committee (Students With Attendance Goals)
(Guidance Counselor assigned to each grade level)
- Chronic student attendance will be monitored by grade level guidance counselor.
(PBIS Team)
- Student Activity Days Activity Days Scheduled for 9/23 (8/15-9/16)
- No more than one lunch detention and 90\% ADA
(Administration and Teachers)
- Implemented student systems to promote schoolwide expectations.
