As a follow up from last week Code **Yellow** at **FES** and what to communicate or not, these are the 3 key points because **FES** needed clarification.

1. **FES** had a Safety Team meeting this morning where **FES** invited Sargent Bailey (SRO Supervisor).
2. **FES** does not have to report **Yellow** Codes internally; however, any **Red** Codes our district will inform our families.
3. **Yellow** Codes will be disseminated in a case-by-case basis. It was suggested to please review Chart where different Codes are explained.

Thank you for your questions at any level as they help **FES** get better at what it does.
