**Approval of Minutes:** The minutes from the March 27<sup>th</sup> & April 17<sup>th</sup> meeting read by Lisa Frame. Motion to approve: Narvis Heredia; Seconded: Whitney Keatley - All agreed!

**Current Budget:** \$9,064.26

**New Business:** Mr. Simpson - We do not have the results of the school survey at this time. He thanked everyone for coming last week to speak with Dr. Moore regarding the hiring of next year's administration, and for coming again today for our April meeting. To follow up on previous requests, the purchasing of the laptop mouse(s) have been put on hold since Brittney was able to obtain 5 (or more) per class for 2<sup>nd</sup> - 5<sup>th</sup> grade for free!! Additionally, a microwave for STEAM hasn't been purchased since we haven't been notified of specifics, so this will be put on hold, too.

Ms. See - Media Specialist - After going through the Fiction section of the library, she has compiled a list of about 500 books that she would like to remove from the library due to their age, condition and level of interest (some have NEVER been checked out). Additionally, she had a list of books that she would like to add to the library. Both sets of books (removed and additions) were available on a cart for us to look through. Finally, she provided us with a wish list of books that she would like to buy for the library (replacing some of the older, tattered books as well as newer books that the kids are interested in). After looking through the lists and the books on display, a motion to approve all 3 lists was made by Narvis Heredia; Seconded: Devon Nodolski - All agreed!
