- G. Sharing and concerns:
 - 1. There were some concerns over students paying for the pep rally and games. It was suggested by Karen that maybe a game ticket allotment with teachers giving them as incentives to students weekly or some other way to incentivize students.
 - 2. There was a concern over student safety with student IDs/names being accessible on laptops. Christina reported that her son's lunch account had been hacked by a student that somehow got his ID number and name and the student was getting lunches with that information. There was a discussion about getting a new ID number for her son and coming up with ways to prevent this from happening to other students/ accounts.
- H. Motion to Adjourn at 4:22 PM was made by Bonnie Kidder and seconded by Christina Marshall. The next meeting is December 12 at 3:30 PM.
