Principal's Report:

Ms. Miller spoke about ELA and Math for Grades K-5 STAR and FAST assessments: We tested about 99% of our students. Mrs. Miller shared that our students put forth so much effort on the assessments. Students have grown from the beginning of the year. Our 3-5 ELA proficiency is 43% and math is 46% this is raw data meaning that data corrections still need to be made.

Ms. Davis spoke about the K-2 STAR assessment and explained that students Kindergarten is early literacy assessment. First grade starts with STAR reading and then backs students up as needed to early literacy. Grade 2 assessment is STAR literacy.

Mrs. Miller thanked all the SAC members for their support and time throughout the year. We appreciate all the hard work and dedication of our students, staff, and community members.

Meeting was called to order at 8:04am and adjourned at 8:12am.
