

Indian River State College Dual Enrollment Information

- Homeschool students who wish to dual enroll at IRSC must get a letter signed by the School District of Indian River County Homeschool Office.
- To qualify for this letter, you must be current on your homeschool evaluation.
- SDIRC Homeschool Office can only provide a letter for the current school year. The date will refer to it as the current school year (for example 2020-2021).
- We cannot date a letter for the summer. Summer would fall under the previous years letter.
- We cannot pre-date a letter for the next school year. It must be the first day of school for that year before we can change the school year in a dual enrollment letter.
- SDIRC Homeschool Office does not have any further details on the homeschool dual enrollment process outside of providing the letter. If you need assistance with homeschool dual enrollment you will need to reach out to IRSC at 772-462-4772 or visit their information webpage on dual enrollment at <https://www.irsc.edu/programs/dual-enrollment-for-high-school-students.html>
- To request a letter please email the office at homeschool@indianriverschools.org or call 772-564-6091
