# Dual Enrollment

## Home Education Guide

INDIAN RIVER  
STATE COLLEGE

# The Dual Enrollment Program

The Dual Enrollment is program where students achieve high school and college credits at the same time. Dual enrollment is Florida's largest college "scholarship" program. More than 70,000 students participate in Florida's DE program. 93% of DE students enroll in college soon after high school graduation. 64% of DE students complete a postsecondary credential. Tuition fees and textbook costs are **FREE** to dual enrolled students who attend an eligible home school.

# Dual Enrollment Eligibility & Credit

**Eligible Dual Enrollment students must have a minimum of a 3.0 (UW) GPA for college credit courses or a minimum of 2.0 (UW) GPA for Career Training courses. They must also achieve a minimum score on the PERT, ACT or SAT.**

**Students must have a written approval from a Parent / Guardian. Dual Enrollment courses are weighted the same in high school as Honors, A.P., I.B. and A.I.C.E. classes.**

**Dual Enrollment credit is college credit and is permanent on college transcripts. Course retakes are at the student's expense.**

# Home Education Textbooks

- Home education students registering for Dual Enrollment at IRSC must provide proof of enrollment in a home education program pursuant to Florida Statutes 232.02(4) and an articulation agreement must be signed by the parent and the student. Students may receive textbooks upon the completion of the registration process, by providing a copy of the student's id and class schedule at the IRSC bookstore. All textbooks must be returned at the end of each semester.
