Audience Members: Jennifer Lueken

Call to order by Amy Korzon at 8:10am

- I. Members Sign-In
- II. Review/Approve minutes from April 28, 2023.
 - I. Motion to approve with corrections by Kristi Challenor, seconded by Kristine O'Hagan.
- III. SAC Budget/Spending – vote
 - I. An email was sent out to teachers for ideas. We have 3 ideas to spend money on that correlate with our SIP (school improvement plan). Mrs. Abdo submitted a request for a Florida School Counselors Association conference in Daytona designed to support all aspects of being a school counselor. It is a \$350 cost, which includes hotel and expense of the conference. Motioned to approve by Kristi Challenor, seconded by Kristine O'Hagan. Passes unanimously.
 - II. Mr. Dixon submitted a request to receive \$840 to buy solid state drivers for the desktops in the computer lab and the ones teachers have for the students in the classroom. There are 30 stations in the computer lab. Solid state drivers help the computers move at a faster pace and improves download speed. This is particularly beneficial during testing for K-2 since they use desktops during testing. Motioned to approve by Kristine O'Hagan, seconded by Liz Ullian. Passes unanimously.
 - III. Robots in the media center designed for students to code and debug, which benefits student digital media standards and skills. SAC would dedicate \$2000 to updating the robots in the media center. Christy Krause motions to approve, Liz Ullian seconds it. Passes unanimously.
- IV. Next Meeting – Friday August 25th at 8:00am

Meeting adjourned at 8:50am.
