Meeting Minutes

Meeting Called to Order 9:38 am

Present: See sign-in sheet attached

- Old Business – approved minutes from last school year

New Business as follows:

- School Improvement Plan
  - What is it
    - Mr. Echeverria and Ms. Corsanico read parts aloud and summarized details for council
    - SIP Plan Goals
      - **Academic Goal: If during collaborative planning, we successfully implement the high yield strategy of differentiation, monitoring for understanding, and student engagement to ensure teachers use relevant, recent, and aligned data to adjust their instruction, plans, and instructional delivery to meet the needs of each student, then ALL students will achieve.**
      - **Parent Involvement Goal: If we are able to increase the amount of families who are signed up and utilizing the FOCUS and/or district platforms, then we will be able to communicate student progress more effectively, engaging parents in their child's academic progress and able to strengthen the connection between home and school.**
      - **Culture and Climate Goal: If we focus on backwards planning through creating a pacing guide to align the Spanish curriculum, *Benchmark*, to Florida State Standard and District curriculum, *Amplify*, then we will ensure alignment in the Dual Language program K-3, improving overall ELA proficiency among Dual Language students.**
  - Approval Vote- all in favor 8 out of 8 (Yay)
- Next meeting 9/26/23
