Budget Update: Funds at \$ 5,818.90 \* estimated due to unpaid summer bills

· Mr. Kinsley shared that this amount does not include money added from the district. Additionally, we need to subtract principal's budget money for student expenses from end of last school year. Funds were pushed back; there is a need for a detailed letter of expenses for last year in order to get it approved. This needs to be amended.

Nomination and voting for:

- Secretary - S. Rodriguez – all approved

School Improvement Goal: presented by Kinsley

This reward event aligns with Goal 2 which focus on academics, monitoring increase in student achievement. The rationale is to provide students in my Reading and

Critical Thinking classes with an extrinsic motivation to achieve growth on I-Ready Diagnostics #2 and #3 which will be administered in the fall and spring.

Description of Proposed Project:

A Mobile Game truck will come to Oslo Middle campus as a reward for growth on I-Ready Diagnostics 2 and 3. The reward will be offered for the students per class who demonstrate the greatest growth from Diagnostic 1 to Diagnostic 2, then again for Diagnostic 1 to 3. The student with the greatest growth, 2nd highest growth, and 3rd highest growth will be able to attend the event. I may include a few wildcard picks- who have shown tremendous effort. Students who earn the reward will be given a pass to attend the event, which will be held on school grounds from approximately 11:15-1:15.

Please attach a budget or breakdown of expenses. (see below and attached)

I am seeking to \$1,050.00 to fund this celebration.
