Call to order by Amy Korzon in Media Center at 8:07am

- Approve minutes from August 25, 2023
  - Angie Vitter motioned to approve; Traci Guthrie seconded it.
- Follett book orders
  - New language came out from the state from House Bill 1069, so our purchase order was denied. SAC needs to approve the books for purchase. A few other schools in our county have gone through and approved this process. Kristi Challenor motions to approve the list, Trina Van Os seconded it. Passes unanimously.
- Frax 2
  - Frax is an online tool that brings in more elementary math standards. It is designed to challenge students who have already shown fact fluency with multiplication. Frax 2 comes out this summer. We would like to show the district our fractions data from last year's state assessment, this year's beginning of the year data, and this year's end of the year data in the hopes of a district-wide purchase. The hope is to expand it to K-5<sup>th</sup> grade eventually, while starting with 3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> grade.
- History of Beachland
  - Mrs. Brown will be retiring in May. SAC voted last year to dedicate the old office building to Mrs. Brown. Lori Wilson walkway, Sharks Cove, Turtle Circle. Making your mark as a Shark.
  - Next meeting review school board guidelines for dedications.
- Unscheduled Topics
  - Butterfly Mural district initiative– Mr. Sweeney will head up
  - Discussion about dental hygiene
- Next SAC meeting
  - SAC interested in hearing about extracurricular/ clubs and activities
  - Dental Hygiene
  - School Counselor will share yearly plan and goals
- Mrs. Korzon Adjourned the meeting at 8:32am
