

## School Choice Application for the 2025-2026 School Year

The School Choice Application is now open for the 2025-2026 school year. The first application period will run from Nov. 1- January 15.

The process is completely online. All parents will have to have a Focus Parent Portal account to apply.

For students who are currently enrolled in SDIRC, parents will be able to access the application through the parent portal under their student's name on the left-hand tabs:

Parents of incoming Kindergartners or other students new to the district will have three steps to complete:

1. Create a Focus Parent Portal account or add the new student to an existing Parent Account.
2. Submit a new student application in Focus
3. Complete the School Choice Application.

Incoming students that are siblings of students at the selected choice school must apply online using the School Choice Application to receive the priority.

To create a parent portal account or fill out a new student application parents can go to the highlighted location on the front page of [www.indianriverschools.org](http://www.indianriverschools.org)
